## **COMPASS Requests Public Comment**

*COMPASS is updating its public involvement policy and requests public comment on draft*

*Meridian* – COMPASS is updating its Public Involvement Policy. The proposed draft revision is available for public comment through October 6, 2006. The policy was last updated in November 2003.

The COMPASS public involvement policy supports the creation of public involvement plans for COMPASS projects and provides methods for community engagement, communications, and the solicitation of public comment.

The updated draft policy is located on the COMPASS website, <http://www.compassidaho.org/comm/comments.htm> or you may receive a copy by calling 855-2558, ext 231 or emailing [tschorzman@compassidaho.org](mailto:tschorzman@compassidaho.org).
