

## Where do you live?

This map shows the land use and transportation system for Ada and Canyon Counties for the year 2030 as shown in *Communities in Motion* the regional long-range transportation plan.

Take a look. Find where you live and stick a pin in the map to show your home.

*Communities in Motion* is being updated.

Not everything you see on this map will appear in the updated plan. During your visit today, think about how the transportation system affects you. What are your priorities for the update of the plan?
