

COMPASS Complete Streets
(Adopted August 17, 2009)

Vision Statement:

We envision a Treasure Valley where roadways are designed to be safe, efficient, and viable and provide an appropriate balance for all users including, motorists, bicyclists, transit, and pedestrians of all ages and abilities.

Objectives:

1. Identify how all users will be served when designing new or reconstructed roadways
2. Provide opportunities for involvement with stakeholders throughout the planning process.
3. Consider context of existing and planned land uses.
4. Provide practical and affordable solutions which balance user needs, construction costs, and environmental benefits.
5. Network transportation modes to optimally connect homes, jobs, schools, shops, families and friends.
6. Include appropriate access management practices for safe and efficient movement of users.
7. Promote a visually appealing environment to improve the transportation experience.
