

MEMORANDUM

TO: Matt Stoll, Executive Director
FROM: Toni Tisdale, Principal Planner
DATE: May 6, 2010
RE: **Request for Approval of Administrative Modification #7 for the FY2010-2014 Regional Transportation Improvement Program (TIP)**

ACTION REQUESTED:

Request for approval of Administrative Modification #7 for the FY2010-2014 Regional Transportation Improvement Program (TIP).

BACKGROUND:

As projects were bid for the American Recovery and Reinvestment Act (ARRA or Stimulus), most projects realized bid savings. ITD has available funds and is able to fund one project in Ada County with savings from projects in other parts of the state.

STATUS:

The following change is proposed to the FY2010-2014 Regional Transportation Improvement Program:

- KN 12254 – Traffic Signal Timing Corridor, Ada County – move project from the “illustrative” list to Local Stimulus funding using cost savings from other Stimulus projects.

Details of the change are provided in Attachment 1.

Approval:

All changes for Administrative Modification #7, as provided in this memorandum and detailed on Attachment 1, are approved as of May 6, 2010.
