

Treasure Valley Transportation **OPEN HOUSE**

Learn about what's
planned for the
next 5 years

Ask questions and get answers
from local transportation
planning agencies

Share your feedback
with planners before
decisions are made

August 25, 2016

10:30 am - 7:30 pm

6:00 pm: Overview presentations

COMPASS

700 NE 2nd Street
Meridian, ID

Does the road construction
happening around the Treasure
Valley make you wonder what
kinds of transportation
might be “coming
down the road”?

Have you considered
attending a public
meeting or reviewing a
plan and submitting
your comments?

Now's your chance!
Public comments are
being accepted from
August 19 - September
19, 2016.

Join COMPASS and local transportation agencies for an open house on August 25 to learn about:

- Transportation projects planned for your community—federally funded and “regionally significant” projects listed in a five-year budget (FY2017-2021 Transportation Improvement Program, or TIP)
- Air quality conformity —how the projects in the FY2017-2021 TIP impact air quality
- Federally-funded public transportation projects proposed for funding by Valley Regional Transit
