

## COMPASS Wants Your Input on Proposed Transportation Changes

COMPASS is seeking your feedback on proposed amendments to *Communities in Motion 2040* and the Regional Transportation Improvement Program (TIP). Proposed changes include adding projects to:

- Widen I-84 from Nampa to Caldwell
- Begin preliminary engineering work to extend State Highway 16 to I-84 (Engineering work will focus on refining the scope, right-of-way needs, and cost estimate for the corridor.)
- Design a transit oriented development in Nampa

Both *Communities in Motion 2040* and the FY2018-2022 TIP must be amended by the COMPASS Board of Directors in order for any or all projects to move forward.

Other changes to the TIP are also being considered; feedback on those changes is requested as well. Learn more about all of the proposed changes at: [www.compassidaho.org/comm/comments.htm](http://www.compassidaho.org/comm/comments.htm).
