

Please select the description below that best describes your project for each criterion. Select only one response per criterion.

Criterion	Assessment	
Life Cycle  Applicant must include the necessary date of the replacement vehicle.	Project for a vehicle or equipment is beyond its life cycle within 6 years of the date of application, as demonstrated by the project sponsor.	<input type="checkbox"/>
	A facility with major damage or safety issues, as demonstrated by the project sponsor.	<input type="checkbox"/>
	Project for a vehicle or equipment is at the end of its life cycle within 6 years of the date of application, as demonstrated by the project sponsor.	<input type="checkbox"/>
	Project for a vehicle or equipment will be within 1 years of the end of its life cycle within 6 years of the date of application, as demonstrated by the project sponsor.	<input type="checkbox"/>
	A facility with minor damage or safety issues, as demonstrated by the project sponsor.	<input type="checkbox"/>
Maintenance Cost	Vehicle, equipment, or facility that has repair costs more than three times an average vehicle or comparable equipment, as documented by the project sponsor.	<input type="checkbox"/>
	Vehicle, equipment, or facility that has repair costs more than two times an average vehicle or comparable equipment, as documented by the project sponsor.	<input type="checkbox"/>
	The project should be replaced rather than repaired.	<input type="checkbox"/>
Lease vs. Own	Vehicle, equipment, or facility is converting from a lease to ownership.	<input type="checkbox"/>
	Vehicle, equipment or facility is already owned, but needs to be replaced.	<input type="checkbox"/>
* Bonus Points *		
Basic Requirement	In order to obtain bonus points, is there an executed Development or Partnership Agreement documenting details of additional funding and/or coordination efforts? (Please attached copy)	<input type="checkbox"/> Yes <input type="checkbox"/> No
Funding Incentives	Project sponsor will provide additional monetary or in-kind support to the project equaling over 30% of the project total.	<input type="checkbox"/>
	Project sponsor will provide additional monetary or in-kind support to the project equaling 21%-30% of the project total.	<input type="checkbox"/>
	Project sponsor will provide additional monetary or in-kind support to the project equaling 11%-20% of the project total.	<input type="checkbox"/>
	Project sponsor will provide additional monetary or in-kind support to the project above the required local match up to 10% of the project total.	<input type="checkbox"/>
	Project sponsor will provide the required program match, typically 7.34%.	<input type="checkbox"/>
Coordinated Efforts  Major	Project is coordinated with a separate funded project resulting in a cost savings or development efficiency. The coordinating benefits are classified as "major."	<input type="checkbox"/>

Criterion	Assessment	
Classification = multi-modal project, adds capacity, or improves safety	Project is coordinated with a separate funded project resulting in a cost savings or development efficiency. The coordinating benefits are classified as "minor."	<input type="checkbox"/>
	This project is not coordinated with any other funded project.	<input type="checkbox"/>
Minor Classification = utility improvements, overlays
