

Working together to plan for the future

Work Group: Regional Geographic Advisory Workgroup (RGAWG)
Staff Liaison: Eric Adolfson

Purpose:

The purpose of the Regional Geographic Advisory Workgroup is to provide input and guidance on regional Geographic Information System (GIS) issues and tasks, such as orthophotography and the Regional Data Center.

Tasks:

1. Provide a forum to continue to improve regional GIS cooperation, while forming GIS policy and technical solutions
2. Advise COMPASS staff, workgroups, and the COMPASS Board of Directors on GIS investments and policies
3. Report to either the Regional Transportation Advisory Committee or Executive Committee on topics such as investments and policies related to improving GIS outputs (as needed)
4. Provide feedback to COMPASS staff on regional GIS planning activities (ongoing)

Deliverables, Schedule:

1. Provide quality control and review of orthophotography project deliverables (Fall 2023)

Membership:

Membership in the RGAWG will be drawn from representatives from member agencies and those with an interest in regional geographic data. Members should have information system technical experience or knowledge and active contribution to the region's data ecosystem with agency administrative authority.

Charter recommended by Executive Committee: July 12, 2022

Charter approved by COMPASS Board: August 15, 2022

Next planned review of charter by Executive Committee: June 2023

All decisions and recommendations of COMPASS workgroups are reached through consensus and there are no quorum requirements for workgroups. All workgroup meetings are open to anyone interested in attending. Individuals interested in attending should contact the staff liaison to obtain the scheduled meeting dates and planned agendas.
