

Working together to plan for the future

Work Group: Regional Operations Workgroup (ROWG)
Staff Liaison: Mary Ann Waldinger and Hunter Mulhall

Purpose:

The purpose of the Regional Operations Workgroup is to promote awareness and integration of transportation operations and management, focusing on multimodal transportation system efficiency, reliability, safety, and ease of use. The workgroup supports the regional planning process, including planning for operations through a coordinated approach to multimodal system operations, intelligent transportation systems (ITS) deployment and data management, and maintenance of related planning documents.

Tasks:

1. Support identification of congestion management and operational priorities and implementation strategies
2. Share successes and lessons learned from recent ITS/TSMO deployments
3. Support Regional Safety Action Plan (request for proposal, developing scope, and project execution)
4. Review results of 2022 Congestion Management Annual Report

Deliverables, Schedule:

1. Begin Regional Safety Action Plan (Fall 2023)
2. TSMO/ITS Projects List and ITS Inventory (ongoing)
3. Congestion Management Annual Report (Fall 2023)

Membership:

Membership in the ROWG will be drawn from representatives of transportation and emergency management agencies from across Ada and Canyon Counties that are active in the planning, funding, design, operation, and maintenance of the region's multi-modal transportation infrastructure.

Charter recommended by Executive Committee: July 12, 2022

Charter approved by COMPASS Board: August 15, 2022

Next planned review of charter by Executive Committee: June 2023

All decisions and recommendations of COMPASS workgroups are reached through consensus and there are no quorum requirements for workgroups.
