EXECUTIVE COMMITTEE AGENDA ITEM IV-A
Date: April 14, 2020

Topic: Families First Coronavirus Relief Act Leave Policy

Request/Recommendation:
Review and recommend Families First Coronavirus Relief Act Leave Policy for COMPASS Board of Directors’ approval.

Background/Summary:
On March 18, 2020, the Families First Coronavirus Relief Act (FFCRA) was signed into law. The law requires that covered employers provide new categories of paid leave to all employees, during the period April 1, 2020 through December 31, 2020.

The leave categories are:

1) Two weeks (up to 80 hours) of paid sick leave at the employee’s regular rate of pay where the employee is unable to work because the employee is quarantined (pursuant to Federal, State, or local government order or advice of a health care provider), and/or experiencing COVID-19 symptoms and seeking a medical diagnosis.

2) Two weeks (up to 80 hours) of paid sick leave at two-thirds the employee’s regular rate of pay because the employee is unable to work because of a bona fide need to care for an individual subject to quarantine (pursuant to Federal, State, or local government order or advice of a health care provider), or care for a child (under 18 years of age) whose school or child care provider is closed or unavailable for reasons related to COVID-19 and/or the employee is experiencing a substantially similar condition.

3) Up to an additional 10 weeks of paid expanded family and medical leave at two-thirds the employee’s regular rate of pay where an employee is unable to work (including tele-work) due to a bona fide need for leave to care for a child whose school or child care provider is closed or unavailable for reasons related to COVID-19.

The Internal Revenue Service has published additional guidance on the FFCRA requirements, including the documentation requirements. Employees that are requesting leave based on a school closing where the child is between fourteen and eighteen are asked to provide a statement about the special circumstances that require the employee to provide care.

Employees that are provided an opportunity to perform their work remotely and are able to do so are not eligible for these categories of leave. Currently, all COMPASS staff have transitioned to working remotely, and everyone is healthy as of this writing. COMPASS has not needed to provide these types of leave so far.

The FFCRA leave provisions present a fair amount of complexity in implementation. COMPASS staff is staying on top of the FFCRA guidance as it is published so staff can provide the leave in compliance with the law, should the need arise.
Implication (policy and/or financial):
The Families First Coronavirus Relief Act is law as of April 1, 2020 and employers are required to implement it.

Families First Coronavirus Relief Act Leave Policy

This policy is effective April 1, 2020 through December 31, 2020 (the Policy Period). This policy will automatically expire on December 31, 2020, without further action by the COMPASS Board of Directors.

Interpretations and guidance on the Families First Coronavirus Relief Act (FFCRA) leave requirements continue to be updated. This policy is subject to change at any time, based on up to date guidance from federal agencies.

Per the requirements of FFCRA, COMPASS has the following leave categories available to employees. These categories of leave are in addition to the leave categories described in Section 17 of the COMPASS Employment Policies and Procedures.

**Emergency Paid Sick Leave – COVID-19 Illness**

Employees are eligible for two weeks (up to 80 hours) of paid sick leave at the employee’s regular rate of pay where the employee is unable to work (including tele-work) because the employee is quarantined (pursuant to Federal, State, or local government order, or advice of a health care provider), and/or experiencing COVID-19 symptoms and seeking a medical diagnosis.

**Emergency Paid Sick Leave – COVID-19 Child Care**

Two weeks (up to 80 hours) of paid sick leave at two-thirds the employee’s regular rate of pay because the employee is unable to work because of a bona fide need to care for an individual subject to quarantine (pursuant to Federal, State, or local government order or advice of a health care provider), or care for a child (under 18 years of age) whose school or child care provider is closed or unavailable for reasons related to COVID-19 and/or the employee is experiencing a substantially similar condition, as specified the Secretary of Health and Human Services.

**Emergency Family Medical Leave – COVID-19 Child Care**

Up to 10 weeks of paid expanded family and medical leave at two-thirds the employee’s regular rate of pay where an employee is unable to work (including tele-work) due to a bona fide need for leave to care for a child whose school or child care provider is closed or unavailable for reasons related to COVID-19. This is in addition to Emergency Paid Sick Leave categories of leave.

Employees that are provided an opportunity to tele-work from home and are able to do so are not eligible for these categories of leave.

Employees who are terminated, laid-off (separated from employment) or furloughed (placed on unpaid leave) are not eligible for this leave. Additionally, if an employee is granted leave, but is Laid-off or furloughed while on leave, all leave benefits will immediately stop.

For purposes of this policy, "Child" means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is:
(A) under 18 years of age; or
(B) 18 years of age or older and incapable of self-care because of a mental or physical disability.

For purposes of this policy, “unable to work” means that COMPASS has work for the employee and the employee is unable to perform that work, either at the COMPASS office or by means of telework, for one of the following reasons:

1. The employee is subject to a federal, state or local quarantine or isolation order related to COVID–19.
2. The employee has been advised by a health care provider to self-quarantine due to concerns related to COVID–19.
3. The employee is experiencing symptoms of COVID–19 and seeking a medical diagnosis.
4. The employee is caring for an individual who is subject to either number 1 or 2 above.
5. The employee is caring for his or her child if the school or place of care of the child has been closed, or the childcare provider of such child is unavailable, due to COVID–19 precautions.
6. The employee is experiencing any other substantially similar condition specified by the Secretary of Health and Human Services.

Employees that would like to request leave under one of these FFCRA categories should submit a written statement to the COMPASS Director of Operations with the following information:

- The employee’s name;
- The date or dates for which leave is requested;
- A statement of the COVID-19 related reason the employee is requesting leave and written support for such reason; and
- A statement that the employee is unable to work, including by means of telework, for such reason.

In the case of a leave request based on a quarantine order or self-quarantine advice, the statement from the employee should include the name of the governmental entity ordering quarantine or the name of the health care professional advising self-quarantine, and, if the person subject to quarantine or advised to self-quarantine is not the employee, that person’s name and relation to the employee.

In the case of a leave request based on a school closing or child care provider unavailability, the statement from the employee should include the name and age of the child (or children) to be cared for, the name of the school that has closed or place of care that is unavailable, and a representation that no other person will be providing care for the child during the period for which the employee is receiving family medical leave and, with respect to the employee’s inability to work or telework because of a need to provide care for a child older than fourteen during daylight hours, a statement that special circumstances exist requiring the employee to provide care.
