Information/Discussion Items

A. Review Draft FY2009 Unified Planning Work Program and Budget

Matt Stoll provided an update on the status of the draft FY2009 Unified Planning Work Program and Budget. Matt stated staff recently received word from ITD that Valley Regional Transit has been awarded New Freedom and Job Access Reverse Commute (JARC) funds totaling $240,000. He stated COMPASS will provide support in programming those funds. Staff is currently revising budget worksheets to incorporate these funds and will present them to the Committee when complete.

Matt requested direction from the Committee on implementing the 5 percent salary pool as either a cost of living adjustment or a merit increase or a combination of both.

After discussion, the Committee directed Matt to determine a cost of living adjustment percentage and a merit raise percentage before taking the request to the full Board. A.J. directed staff to look at the Cost of Living Index to determine what portion of the 5 percent should be cost of living.

After discussion, the Committee directed staff to email the modified FY2009 Unified Planning Work Program and Budget draft for Committee review instead of holding a meeting. The draft was subsequently emailed to the Committee and the modifications were approved.

OTHER:

After discussion of the building fund, the Committee directed Matt to approach the Board about moving away from a downtown Meridian location for a COMPASS owned building or increase the building fund to meet the cost of commercial property, which has increased significantly since the inception of the building fund.

ADJOURNMENT:

Steve Rule moved and Carol McKee seconded adjournment at 12:50 p.m. Motion passed unanimously.
