

Application Assistance Supplemental

FY2022-2028 COMPASS Application Guide

COMPASS Resource Development staff are available to assist members in seeking funding for unfunded projects that are listed in or that fall within focus areas included in the annual Resource Development Plan. Staff can assist members with applications for COMPASS and other programs, such as those managed by federal agencies, Idaho Transportation Department, the Local Highway Technical Assistance Council, and Valley Regional Transit, as well as foundations and other funding sources.

Types of assistance available upon request include:

- Finding funding sources to match projects
- Determining whether a project is eligible for a specific funding source
- Providing an outline of information needed to respond appropriately to application requirements
- Gathering statistical information to justify funding requests
- Writing all or portions of grant applications
- Reviewing a completed grant application to ensure all funder requirements are met
- Providing letters of support
- Providing other support as needed

Members are asked to notify staff whenever projects change or new project needs are identified, to ensure staff efforts match current needs.
